TO WHOM IT MAY CONCERN

We, KAUP GmbH & Co. KG, Braunstraße 17, 63741 Aschaffenburg-Leider, Germany hereby confirm that the company LLC "Korvet-M", Russia is an authorised Distributor and Service Organisation for KAUP Attachment towards their customers.

The company Korvet-M has sold and serviced KAUP equipment successfully for several years and is familiar with the products in every aspect.

KAUP was founded in 1962 by Otmar Kaup who is still President of the company. Today KAUP is the leading European manufacturer of Forklift Truck Attachments and produces 40.000 units annually with 600 employees at a turnover of 84 Mio EURO. KAUP is working together with all producers and distributors of Forklift Trucks

KAUP Attachments are manufactured in accordance with all relevant European and ISO Norms regarding safety, technical specifications and manufacturing procedures. The company is quality certified according to ISO 9001, Member of VDMA (Association of German Machine Manufacturers), Member of IHK (Chamber of Commerce and Trade), Member of Bayerisches Hafenforum (Association of Bavarian Harbours) and actively participating in different Norm Committees for German and European Norms regarding Forklift Truck Attachments.

Yours sincerely

KAUP GmbH & Co. KG
